

Fly, Die

L'Rain

All of my voices implant in your brain (Brain)
Whisper, drip, burn but kiss sweeter than cane (Cane)
Justify earthquakes bubbling up inside of me
Shhh! Wait they stopped, hold my hand, let me feel the breeze

(Ah-ah-ah-aah)

(Ah-ah-ah-aah)

(Ah-ah-ah-aah)

They always wanna see you when you down (Don't, know)

(Ah-ah-ah-aah)

When you down yeah, that's, that's when y'all love me huh? (Yes
)

One time I can't tell (Ah-ah-ah-aah)

I can't tell if I'm lying to myself (Ah-ah-ah-aah)

Listen, we all tell lies (Ah-ah-ah-aah)

On top of all the people, including myself (Ah-ah-ah-aah)

See, see, what y'all here to see?

Some of y'all, y'all can't see the forest for the trees

Oh, I'm tired

And, and if you don't, if you don't be around me, it's cool

If y'all don't, don't know what's wrong

Go far away

And I'll... Just let me own up so I don't waste my fucking time

So I'm sorry, I don't mean to cuss

'Cause I ain't trying to come at you I'll just cut you out the
situation

I had he- he- hey, you know sometimes that's what it requires

What have you done...

To change (To change, to change, to change, to change, yes, yes
)

To change (To change, to change, to change, to change, yes, yes
)

To change (To change, to change, to change, to change, yester-)

To change (To change, to change, to change, to change)
