Tell me who I am, will you, ma'am?  
Will you, ma'am? Will you, ma'am?  
Desperate measures for these times  
These times, these times  
Tell me what to do, yeah, it's cool  
Yeah, it's cool, yeah, it's cool

Tell me what you do, yeah, it's cool  
Yeah, it's cool, yeah, it's cool  
You're already cool  
I will break my rules  
Need be, need be, need be (Go 'head, lil' Taja, you're okay)
