

Who will make it out  
Where the true word doesn't count  
My whole existence is this  
I'm so ashamed by it  
Who will make it out?

Know that I forgive you  
But I never will forget  
Unmoved by the attention  
So I retract the sentiment  
The moment I forgave you, I regretted it

What do you want me to say?  
(Make me believe, make me believe it was true)  
Angular Neuro deficient opposite cell  
(Make me believe, make me believe it was true)  
Who do you think I should be?  
(It was true, it was true, it was true)  
Or impersonate an impersonator

Know that I forgive you, but I never will forget  
Unmoved by the attention  
So I reverse the sentiment  
The closure that I gave you, I regretted it

You're gonna get what you deserve  
You are the only star  
You're gonna get what you deserve  
You are the only star

Sacrament, sacrament  
Soothe yourself  
Sacrament, sacrament  
Soothe yourself

Know that I forgive you, but I never will forget  
Unmoved by the attention  
So I retract the sentiment  
The moment I forgave you, I regretted it

You're gonna get what you deserve  
You are the only star  
You're gonna get what you deserve  
You are the only star
