Lsd

Heck yeah, I breathe you  
Darling, I see you  
I hope you see me too  
I want to know you  
Here ain't no rocky ground  
Yeah, I put one million down  
When you walk, I kiss the ground  
Hey, hey, I love you

So what we gotta lose, what we gotta move  
I move mountains  
I can see it through  
I can do it too  
Like a prophet  
So what we gotta lose, what we gotta move  
I move mountains  
I'd do anything for you  
Anything to move  
Move mountains  
Sing it!

Mountains, mountains  
Mountains, mountains  
Mountains, mountains  
Mountains, mountains

Lord, I am so blessed  
'Cause you come with interest  
Fill up my pockets  
I want to own you

So what we gotta lose, what we gotta move  
I move mountains  
I can see it through  
I can do it too  
Like a prophet  
So what we gotta lose, what we gotta move  
I move mountains  
I'd do anything for you  
Anything to move  
Move mountains  
Sing it!

Mountains, mountains  
Mountains, mountains  
Mountains, mountains  
Mountains, mountains
