# Dance 'N' Sing 'N'

**L.T.D.**

I tell ya what I to listen to
That's funky music, gets me in the mood
For dancin', ooh, I gotta move

The hypnotizing rhythm on the set
That's funky music, makes me wanna get
Dancin', ooh, I'm gettin' it

Now everybody likes to boogie to that funky music
How 'bout me and you dancin'

Ooh, got me dancin'
Dancin', singin'
Ooh, got me singin'
Partyin'
Ooh, got me dancin'
Dancin', singin'
Ooh, got me singin'
Partyin'
Ooh, got me dancin'
Dancin', singin'
Ooh, got me singin'
Partyin'

The drivin' beat that you could not ignore
That's funky music, keeps me on the floor, dancin'
Ooh, let's dance some more

Will make a crowd of people come alive
That's funky music, gets you every time, dancin'
Ooh, from side to side

Now everybody likes to boogie to that funky music
How 'bout me and you dancin'

Ooh, got me dancin'
Dancin', singin'
Ooh, got me singin'
Partyin'
Ooh, got me dancin'
Dancin', singin'
Ooh, got me singin'
Partyin'
Ooh, got me dancin'
Dancin', singin'
Ooh, got me singin'
Partyin'

The drivin' beat that you could not ignore
That's funky music, keeps me on the floor, dancin'
Ooh, let's dance some more

Will make a crowd of people come alive
That's funky music, gets you every time, dancin'
Ooh, from side to side

Now everybody likes to boogie to that funky music

How 'bout me and you dancin'
Ooh, let's dance!

Get out on the floor and dance, mm-mmm...
Your body, from side to side
Get on down
Come on, rock some more
Get out on the floor

I tell ya what I to listen to
That's funky music, gets me in the mood
For dancin', ooh, I gotta move

The hypnotizing rhythm on the set
That's funky music, makes me wanna get, dancin'...
