

Lovers Everywhere

L.T.D.

Lovers (lovers)

Walking hand in hand
Embracing every chance
These are things that lovers often do
Laying by the fire
With passion and desire
Thinking of love like lovers always do

Lovers (lovers)
(Lovers often do)
Lovers (Lovers)
(Lovers lovers)

A secret rendezvous
And dinner just for two
These are romantic things that lovers do
Affection they express
With warmth and tenderness
Offering love like lovers always do

Lovers (lovers)
Lovers (love makes the world go round)
Say love makes the world go round (and as the world revolves)
And as the world revolves (love always will be found everywhere)
Love has found a love (love makes the world go round)
Makes the world go round (and as the world revolves)
And as the world revolves (love always will be found everywhere)
Lovers found everywhere

Lovers (Lovers)
(Lovers lovers)

Together every night
With wine and candlelight
These are the things that lovers often do
In a tantalizing way
A toast to love is made
And then there ready to love like lovers always do

Lovers (Lovers)
Yeah (love makes the world go round)
Oh makes the world go round (and as the world revolves)
And as the world revolves (love always will be found everywhere)
There is found everywhere eh (love makes the world go round)
Oh makes the world go round (and as the world revolves)
And as the world revolves (love always will be found everywhere)
Look is found everywhere
