

Sometimes

L.T.D.

Sometimes I give love
Sometimes I take
There're times when I know I'm right
And sometimes I make mistakes
And sometimes I can't lose
Sometimes I can
Sometimes I may even brag
Then humble sometimes I am

(Then again sometimes)
And everybody's wrong sometimes
(Then again sometimes)
And people get along sometimes
So shall the weak be strong sometimes
(Then again sometimes)
And everybody's right sometimes
(Then again sometimes)
And people fuss and fight sometimes
So it shall be for quite some time

Sometimes a clear day
Ends in a storm
Like people sometimes are cold
And sometimes they can be warm
And sometimes my hunger
Turns into greed
And some things we want in life
We sometimes don't really need

(Then again sometimes)
And everybody has their times
(Then again sometimes)
We're happy then we're sad sometimes
And what looks good is bad sometimes
(Then again sometimes)
And everybody cares sometimes
(Then again sometimes)
So say a little prayer sometimes
For sake of love and piece of love

(Then again sometimes)
Sometimes I get the feeling
(Then again sometimes)
That everyone under the sun
Is a friend of mine and they're not sometimes

And everybody's wrong sometimes
(Then again sometimes)
And people get along sometimes
So shall the weak be strong sometimes
(Then again sometimes)
And everybody's right sometimes
(Then again sometimes)
And people fuss and fight sometimes
So it shall be for quite some time

(Then again sometimes)

Sometimes I get the feeling
(Then again sometimes)
That everyone under the sun
Is a friend of mine and they're not sometimes
