

# Love Like

LU KALA

Honestly  
I can see that you're in love with me  
Yeah, honestly  
I'm feeling like you want too much from me

I'm whole, you just an addition, okay?  
This ain't a problem I'm fixing today  
But, honestly  
I just wanna see you on your knees

Especially on the weekend  
You diving in like it's a deep end, nah  
You want it all, but I can't even  
One slice enough  
I never been in love

But I can give you love like, love like  
You ain't never seen in your life, your life  
Like a lowlife to a highlight, highlight  
Fuck that's going all night, all night

I'ma give you love like, love like  
Get you drunk on my time, my time  
That BGM you can't fight, can't fight  
Fuck we going all night, all night

Truthfully  
You know that I enjoy your company (I enjoy your company)  
But if I'm staying true to me  
Then I only got time to feel you

On the weekend (weekend)  
You diving in like it's a deep end, nah (deep end)  
You want it all, but I can't even  
One slice enough  
I never been in love

But I can give you love like, love like  
You ain't never seen in your life, your life  
Like a lowlife to a highlight, highlight  
Fuck that's going all night, all night

But I can give you love like, love like  
Get you drunk on my time, my time  
That BGM you can't fight, can't fight  
Fuck we going all night, all night

Go ahead and blame me  
But baby, I'm keeping my distance  
Nothing gon' sway me

So boy, you should take what you're given (take what you're given babe)  
I let you taste, so now you really know what you're missing  
If you coming though, then you know it's gon' be my decision

But I can give you love like, love like  
You ain't never seen in your life, your life  
Like a lowlife to a highlight, highlight  
Fuck that's going all night, all night

I'ma give you love like, love like  
Get you drunk on my time, my time  
That BGM you can't fight, can't fight  
Fuck we going all night, all night (yeah, yeah, yeah)
