

Still Mad

LU KALA

Say you wanna fuck with me
Try to apologize
Acting like my best friend
Which is weird 'cause it ain't that vibe
And you seem so confused
When I say stop hitting me up
I need you to stop hitting me up
Tell me that you're sorry
But I swear you don't know why
It's like you don't get
My heart don't run on your time
Why's it so hard to retain
Get through your brain that I'm mad?

And I'm allowed to stay mad at you
I'm still mad at you, you, you

Why can't let me hate you?
Why can't let me hate you?
Don't get to tell me how I feel
You need to fuck off and let me heal
Let me hate you
Why can't you let me hate you?
And you'll never get nothing from me no more

Oh, why can't you let me hate you?
Why can't you let me hate you?
Why can't you let me hate you?
Why can't you let me hate you?

Every time I see you
I need to disconnect
How I see you
And how my heart feels in my chest
I'm shutting you down
I'm shutting you down
I'm listening to my head

I'm mad and I'ma stay mad at you
I'm still mad at you, you, you

Why can't let me hate you?
Why can't let me hate you? (Let me hate you)
Don't get to tell me how I feel (Uh)
You need to fuck off and let me heal (Yeah)
Let me hate you
Why can't you let me hate you? (You, you)
And you'll never get nothing from me no more (No, no, no, no)

Oh, why can't you let me hate you? (Hey)
Why can't you let me hate you? (Ah)
Why can't you let me hate you?
Why can't you let me hate you?

Could've had me
I promise you'll be sorry
Could've (You could've) had me

Bet you wish you claimed me
(I bet you wish you fucking claimed me)

Why can't let me hate you?
Why can't let me hate you?
Don't get to tell me how I feel
You need to fuck off and let me heal
Why don't you let me hate you?
Why don't you let me hate you?
And you'll never get nothing from me no more (Oh)

Oh, why can't you let me hate you?
Why can't you let me hate you? (Oh)
Why can't you let me hate you?
Why can't you let me hate you? (Why can't you let me hate you?)
Why can't you let me hate you?
Why can't you let me hate you?
Why can't you let me hate you?
Why can't you let me hate you?
