LU KALA

Work  
Ain't talkin' no 9 to 5  
You gotta work  
Every day and every night  
You gotta work, work, work  
Ain't talkin' no 9 to 5  
You gotta work (work, work for this, yeah)  
You gotta work for it

You gotta go all night  
I'm talkin' overtime  
I'm talkin' 6 to 9  
(You gotta work)  
You gotta use your brain  
Know how to use that thing  
Make it go cha-ching  
(You gotta work)

Ooo, ooo  
Come on baby and punch my clock  
Ooo, ooo  
Don't care if you tired, don't you stop

Work  
Ain't talkin' no 9 to 5  
You gotta work  
Every day and every night  
You gotta work, work, work  
Ain't talkin' no 9 to 5  
You gotta work (work, work for this, yeah)  
You gotta work for it

Okay I been workin' all night all night  
Oh my work it out until my mind is all mangled  
Why I gotta work when I look good at all angles  
So misunderstood like I'm whole VS angel  
You say you got so much to offer  
Same time you drink my bath water  
Chiverly's dead, baby, ash to ash  
If you eat, but I ain't fed, then I'm passin' that, next

Ooo, ooo  
Come on baby and punch my clock  
Ooo, ooo  
Don't care if you tired, don't you stop

Work  
Ain't talkin' no 9 to 5  
You gotta work  
Every day and every night  
You gotta work, work, work  
Ain't talkin' no 9 to 5  
You gotta work (work, work for this, yeah)  
You gotta work for it

Ooh, it's LU KALA and Shelailai  
Haha
