

# Knights of Immortal Fire

Luca Turilli

[Musica e testi: Luca Turilli]  
Even the shadows were crying  
All was so sad on that tragic day  
Their love was marred by one stupid war  
And their holy flame will not burn anymore  
But something seems to be not right  
His cosmic heart wants to pound yet  
His soul is so full of love for his queen  
And rage for the triumph of that bloody king  
He'd like to change all that happened  
The story so bad was written  
He called the essence of cosmos itself  
The stars in the end made a wonderful spell  
ON SILVER WINGS HE WILL FLY  
BEYOND DARK HORIZONS  
AND CROSSING THE OCEANS  
OF SPACE AND TIME  
HE WILL FIND A NEW STAR  
ANOTHER BRAVE HERO  
A KNIGHT OF IMMORTAL FIRE  
"I'll try to move planets and stars  
To pound in your heart again...  
Beloved magic princess they now have to pay  
And then we'll fly together"  
ON SILVER WINGS HE WILL FLY  
BEYOND DARK HORIZONS  
AND CROSSING THE OCEANS  
OF SPACE AND TIME  
HE WILL FIND A NEW STAR  
ANOTHER BRAVE HERO  
A KNIGHT OF IMMORTAL FIRE
