

# The World

Lucas & Steve

Tell me that you're out there  
Thinking back on me  
'Till the end of the world  
Tell me that you're waiting  
Say you still believe  
'Till the end of the world

Tell me that you're out there  
Thinking back on me  
'Till the end of the world  
Tell me that you're waiting  
Say you still believe  
'Till the end of the world
