Turn Me On

Lucenzo

A party come agora, e até o amanhecer
Amor não te vas embora, da-me uma noite de prazer
Vem ter comigo come on let's party gyal
Vem ter comigo girl let your body wine
Diz-me que posso fazer, baby para te convencer
Ela me faz enlouquecer, girl you turn me on
Quando ela dança o tempo para, ao redor não vejo nada
Da-me a mão vem a meu lado, let's have a good time.

You turn me on, just take my hand let's party all night, let's party all night
You turn me on, I wanna feel you body tonight
Let me touch your body cause gyal you turn me on.

Cause gyal you turn me on.

Gyal o teu corpo me chama
(Gyal o teu corpo me chama)
Vem que a party te reclama
(Vem que a party te reclama)
She turn me on, me deixa louco, ela me mata pouco a pouco.

Gyal não te quero ver com outro, come on let's have a good time
Girl rock your body (rock it gyal tonight), until the morning (until the morning light)
It's party time time time, I love the way you wine, wine, wine
It's party time time time, I love the way you wine, wine, wine.

You turn meee on, just take my hand let's party all night, let's party all night
You turn meee on, I wanna feel your body tonight
Let me touch your body cause gyal you turn meee on.

Cause gyal you turn meee on
Let me touch your body cause gyal you turn me on.

Cause gyal you turn meee on
Gyal you turn me on
Gyal you turn me on
Let me touch your body cause gyal you turn meee on.

Cause gyal you turn me on
Let me touch your body cause gyal you turn me on
