

## How Can You

Luciano

How can you be so ungrateful  
After all that God has done for you?  
And how can you be so unruly  
Knowing He controls your destiny?

In the stars and the work I see  
And down the wind  
He speaks with majesty and, oh  
What a wonderful feeling, if only you could see

It was ordained for us to leave in peace  
Not to hate each other  
Living like this  
Why do we fight everyday?  
Not living the Father's way

How can you be so ungrateful  
After all that God has done for you?  
And how can you be so unruly  
Knowing He controls your destiny?

Out of love and grace, He gave us  
Life that we can live  
But we don't appreciate love  
So we live in hatred and grudge

No love, it was ordained for us to live in peace  
Not to hate each other, living like this  
Why do we fight everyday?  
Not living the Father's way

How can you be so ungrateful  
After all that God has done for you?  
And how can you be so unruly  
Knowing He controls your destiny?
