

# Me And My Chauffeur Blues

Lucinda Williams

Won't you be my chauffeur?  
Won't you be my chauffeur?  
I want you to ride me  
I want you to ride me  
Ride me downtown  
You can run so easy  
Ah... that I can't turn you down

Well, I don't want you  
And I don't want you  
To be ridin' these other girls  
To be ridin' these other girls around  
'Cause I'll grab me a pistol, ah...  
And I'll shoot my chauffeur down

And I'm gonna buy you  
I'm gonna buy you  
A brand new V8  
A brand new V8  
Shiny brand new Ford  
You won't need no passengers  
'Cause I'm gonna be your very own

I want you to be my chauffeur  
I want you to be my chauffeur  
I want you to ride me  
I want you to ride me  
All over the world  
'Cause you can be my little boy  
'Cause I'ma be your girl

I want you to be my chauffeur  
Won't you be my chauffeur?  
I want you to ride me  
I want you to ride me  
Ride me downtown  
'Cause you can run so easy  
Aha, that I can't turn you down
