

# Protection

Lucinda Williams

Well I've seen some things in life as God is my witness  
I've cried and cried and nobody could help  
Now I'm traveling thru the world with dedication  
What I do I did it all by my own sweet self

I need protection from the enemy of love  
I need protection from the enemy of righteousness  
I need protection from the enemy of good  
I need protection from the enemy of kindness  
Give me protection from the enemy of love

I came into the world all alone  
Pushin' and strugglin' to find a home  
I tell you what child go ahead and repeat it  
It was my own trial made me stand on my own two feet

I need protection from the enemy of love  
I need protection from the enemy of righteousness  
I need protection from the enemy of good  
I need protection from the enemy of kindness

Give me protection from the enemy of love  
You know people be grinnin' and talkin' about me  
Make me throw up my hands and call out cryin'  
But the world's gonna spin with or without me  
So I still get up and I keep on tryin'

Livin' in a world full of endless troubles  
Livin' in a world where darkness doubles  
But my burden is lifted when I stand up  
And use the gift I was given for not givin' up

I need protection from the enemy of love  
I need protection from the enemy of rock' n roll  
I need protection from the enemy of good  
I need protection from the enemy of soul  
Give me protection from the enemy of love  
I need protection from the enemy of good  
I need protection  
Give me protection  
I need protection  
Give me protection  
Yeah I need protection  
Give me protection  
I need protection  
Give me protection - Yeah
