

Do It All For You

Lucius

I lose myself to find you
And you save me every time
You know I'd wash away all of your sadness
While I hang myself to dry

Pierce my own reflection, just so you will stay
I will sit on the ledge of our love
And let you push me off

I'd do it all for you
I'd do it all for you
I do it all for you

One day, when we're looking back
Even if it's a whole damn mess
I won't forget the feeling, when you said
"I love you from the floor through the ceiling"

I'd do it all for you
I'd do it all for you
I do it all for you

Inside and out with my eyes closed I know you
Inside and out with my eyes closed I know you

(I'd do it all for you)
Inside and out with my eyes closed I know you
(I'd do it all for you)
Inside and out with my eyes closed I love you
