

Let the games begin

Lucius

Verse 1

I found the devil in me
Giving into the weekend
Five days of keeping it in
It's enough to drive a girl to the deepest end
Don't try to level with me
When nothing's steady underneath ya
You won't forgive me
But I'm not asking for permission

Pre-Chorus

I will let you do anything I want
If you want to
I will let you choose anything I want
I will let you do anything I want

Chorus

Oh-ooh, here we go again
You're going down, down, down, down, down, down
Oh-ooh, are you ready for it? Let the games begin
Oh-ooh, here we go again
You're going down, down, down, down, down, down
Oh-ooh, better be ready for it, let the games begin

Verse 2

I found the rebel in me
Gives a push when she needs a show
It feels like heaven in me
When I kill your vibe just to feel your love
Don't try to level with me
When nothing's steady underneath ya
You won't forgive me
But I'm not asking for permission

Pre-Chorus

I will let you do anything I want
If you want to
I will let you choose anything I want
I will let you do anything I want

Chorus

Oh-ooh, here we go again
You're going down, down, down, down, down, down
Oh-ooh, are you ready for it? Let the games begin
Oh-ooh, here we go again
You're going down, down, down, down, down, down
Oh-ooh, better be ready for it, let the games begin

Instrumental Interlude

Chorus

Oh-ooh, here we go again
Oh-ooh, here we go again
Are you ready for it? Let the games begin
Oh-ooh, here we go again
You're going down, down, down, down, down, down
Oh-ooh, are you ready for it? Let the games begin

Oh-oooh, here we go again
You're going down, down, down, down, down, down
Oh-oooh, better be ready for it, let the games begin
