

# Are U Wit Me

LUCKI

I don't take Percs for no reason  
I don't take Percs for no reason  
I don't take whoa aye  
I don't take aye  
I don't take Percs for no  
Aye

I don't do Percs for no reason aye  
I don't take calls for no reason aye  
Eyes on the low better greet him  
Middle of the day purple dreamin' aye  
Are you with me, aye  
Are you with me, aye aye  
Everybody round me is schemin'  
Tell me if you find it I need it aye  
Night sweats terrors I'm eager  
Don't pour out my Fanta or Imma' see you die  
Molly make her dance so I tease her  
I don't see the damage of free drugs  
Only see my stats once the team win  
Think I shoulda died thank you Jesus  
I know why I'm high with my demons  
I don't do the hunt til' the season  
I don't do the stems or the seeds, aye

Aye whoa are you with me  
Are you with me  
Are you with me  
Please don't let me down whoa  
Whoa, aye please don't let me down  
Whoa, are you with me  
Aye, are you with me  
Aye, please don't let me down  
Whoa, please don't let me down  
Whoa, whoa, aye  
Are you with me  
Aye whoa  
Whoa, whoa, whoa, whoa  
Whoa, whoa, whoa, whoa  
Whoa, whoa, whoa  
Whoa  
Are you with me  
Please don't let me  
Are you with me  
Let me hear it
