

Difference

LUCKI

Woah, woah aye
Woaaah
Got my nigga Ran\$ah in this bitch with me
You know how we bombin the long way
Woaaah, woah
Back when we was takin' shit... damn
Aye, woaaah, woaaah, woaaah, woah
My niggas gone Von in this bitch
Plu2o in this bitch with me
Adio in this bitch with me
You know how we comin'
Tell my fan bitch to stay in line boy I need a bitch that know
nothin' about the boy
You know what I'm talm bout?
I need a challenge or something
Haha

Nigga tell me what you want, I'm with it
I know I just wanna taste the sweet revenges
Purple potion, purple demons, purple sinnin
This don't taste like sprite, it's a difference
Screwed a hoe, do her dirty cause she love me
Been had hoes I was broke but never ugly
It's quiet when the pin drops who looking for me
I need drugs, I can feel it in my tummy
Little nigga eating sloppy at the grown table
She assume if she rude she gone get me
Pick a room, light a candle it's lit B
Little bitch I ain't a lock you can't pick me
Say she miss me, think I need some space dear
Tryna catch up to my high, it's not a race dear
Lose enough attitude already here
Damn I just dropped a pint gang shed a tear
