

(GOONTEX) Ayy, okay, ayy  
I'm on drugs just like my auntie, okay, ayy  
I'm on drugs just like my auntie  
A black trucker ho from the IE  
She tell the whole world she from LA  
And the seats in the straight like a Pelle  
Say you miss me too but a day late, damn

I'm on drugs just like my auntie  
Tell the lean man, "Hop in the front seat"  
I'm a real deal slime, why you trust me?  
When my brothers see fans, get nervous  
I don't never gotta pay for a murder  
I'm with Ten gang, oops, don't hurt him  
I lost Poppa, I be think about purging  
But I know he probably want me focused  
Got a show and I brought all killers  
My security guard kinda gettin' nervous  
I be thinking like "Tune, you the realest"  
Man, okay  
Okay, okay  
I'm on drugs just like my auntie  
I be thinking like "Tune, you the realest"  
Wonder what make 'em wanna kill us  
I be thinkin' 'bout bags on niggas, big bro tellin' me to mind my business  
Can't just drop one line, won't fill it  
Somewhere in the mix, gotta find me in it  
My little brother been out of my heart  
Crazy ass guns on a regular cop  
Tune, you the hope, can't save 'em all  
New blue Xans', my favorite bar  
Sayin' her name, my favorite bop  
"Tune, you the G.O.A.T., hope you make it far"  
Do it for kids, but it's rated R

Man, ayy  
Ayy, I'm on drugs just like my auntie  
Ayy, ayy, okay, okay  
I'm on drugs just like my auntie
