

Double Check

LUCKI

Everything now
Everything now
Everything now
Everything now

Inter-midst chief I'm a purple devil
Couple grand on that homie
Know you're watching me
Number 1 recruit homie
Know you're watching me
I'm the type to tight my fist I know you watching me
Nigga what's the stakes
That's they new name though
Face-off shawty getting face from a Jane Doe
She believed the savy talk but still the same hoe
Nothing special for that hoe I'm in the same clothes
Drake voice on that bitch
I'm speaking, painting rainbows
3 Percs and a greyhound shirt and my feet tango
Ready for my purple storm I got my rain coat
Ready for my purple storm got keep crown

Everything now
Everything now
I got everything now, everything now
Nigga what you want more?
Everything now
I got everything, everything

This the only hoe I trust
She don't even care
Put Xan in my molly cap
I wasn't even scared
Man that's a different nigga I wasn't even there
Babe you should leave now this is me rap, aye

Everything now
Everything now
I got everything now, everything now
Nigga what you want more?
Everything now

My new air too clean I won't even share
My new grass too green I'll let the snakes chill
I got the upperhand the dealer know my face hoe
She speedin' to them questions
Need to pump yo brakes hoe

Everything now
Everything now
Double checkin' mine
It's all fuckin'
Nigga what you want more
Everything now
Double checkin' mine
(In audible)
