Everything Out$ide

LUCKI

I'm like where I go wrong? I chose the wrong crowd to hang around
This fire got me masked up I'm like the new Kane around
Undertake my joke, my joke get stronger you'd think Bane around
Don't take me for a joke or get to stepping, Martin Payne's in house
My friends be stretching white girl, you would think that bitch gaine
d some pounds
They moving white girls like orphans, it's georgeus, come & raise a c
hild

I said it's gorgeous, come & raise a child
At the edge of cliffs? With son in grip, they young simba, come raise
 a child
Ain't no other mislead child like me
My niggas all wild, don't test, they cheat
How you got the game locked down, we key?
Even in forbidden trees we eat like Eve

So why not agree?
I wanna play with that cash like its clay, Ali
I wanna make all my shit bravo, Johnny

I'm just swervin, outta traffic til the day I can't move
They tried to run the land with dumb bitches like that McCain fool
I give'em good shoots here & there & the way Luol Deng do
Then wait til dark, bite my bloods, you would think my fangs grew

It's just simple wrote as that

They keep a tab on me like stats
I want that green, fuck iChat.
I'm onnat shit for good like tats

I seen it all at 16, I'm like Jewels with dip set
Heard it all with no sounds, you think they had on lipstick
I'm trackin down who talking stains, you'd think they had on lipstick
Cause I could never get stained, I'm like yo special outfit

What'chu talkin?
I'm a target, what's my bargain, they gone met me
They got time, on my, head, they think I'm, wearing, buck 50's
Have niggas crying on the phone these niggas buck & Lucki 50, I nerd
down a hall of bullies bet I still wouldn't be tripping

I put nothing over my squad
Its OMG Boyz, oh my God
And I'oon know nun bout being inside because everything outside
I be like everything outside

I put nothing over my squad
Its OMG Boyz, oh my God
And I'oon know nun bout being inside because everything outside
I be like everything outside
