LUCKI

Aye, man  
Aye Sawbuck come get this  
Aye, yeah, yeah

It's like 5 am, I'm still rolling  
Think I won't shoot cause my shirt deep cut  
Tell him he don't know me  
Tell that nigga pipe down  
Aye, aye, pipe down  
Tell yo homie pipe down  
Aye, aye, pipe down  
Bitch I'm zoning, I'm lonely  
Bitch please take me home  
Friendly soul, but I'll be Casper in the morning  
Cocaine cowboy, bitch I'm Michael Irvin  
Call him off my bitch phone, he blocked me, he won't serve me  
Pennies in that purse, it's that Xan I finessed working  
Keep calling me awkward, dumb hoe, I don't do the flirting  
This bitch know I'm wanted and I'm Wesley bullet curving  
I been through a college tour, your roommates heard me
