

Freewave Freestyle 6

LUCKI

Aye

I don't even know what number freewave this is...

I'm fucked up, but...

Watch this though

Aye, Aye

Bougie ass bitch, like my mean girls clueless

Bossy do the dash, I need Stacy for my new vish

She wondering why she fuckin bitch

I got these pills from cupid, stupid

If Tricks is for kids, what worked on you then?

Lying to my old hoe, fake flaws by my new bitch

I'm dying cause she fall for

My heart die when you switch

I'm a chase the hoe, I repent it though

I'm a chase the hoe, I repent it though

It's like it's two of me and one of you that's what this mirror
saying

Spent 3 years chasing dragon man a nigga might a slayed it

Pop these and pop those, got a plan for us little lady

It's best we really catchin it, she be right here getttin brain
washed lady

Plug a meet me here, yup he scared he know my status

I'm in the hall of fame of stains I'm waiting for my plaque

Seductive eyes, that's cute, guess what I love medusa

Fucked, but love me

Can't do shit to me I'm xannin bitch, my vision blurry

Talkin boring, tell me all yo mutherfucking stories

Bitch, that's fake, that's true

Aye aye

Fuck that, I don't even think I like this bitch

But aye
