

Geeked

LUCKI

Hmm

That 40 on me, uh, yo, uh, yeah, yeah
Condo, talk to me
Yo, uh, ooh, uh, ayy, ayy
Yo, uh, woo, uh, ayy, ayy

I just made a lil' 40, I'm geeked
How many Percs? 24 in a week
New Trackhawk seem foreign to me
So quick, make your foreign look weak
I been out of touch, she boring to reach

Blue lil' pill restore the peace
Why lil' baby ignorin' me?
Out of town, got my boys with me
Ain't no nigga extortin' me
Ain't no ho explorin' me
I nod off, she adorin' me
Boogie watch my back more than me
so loyal to me
This shit 4L, how you figure?
I ain't go chit chat with no nigga
Just let my lil' shorty get 'em
Ain't no tints, get another rental
Restore the peace
Can't let a ho knock me off my square
Codeine never get bored of me
Blue lil' pill restore the peace
Make the lil' bitch want more of me
Walk in the bank like they owe me somethin'
Bank teller been gettin' bored of me
I just made a lil' 40, I'm geeked
In a week, uh, ayy
Uh, uh

I just made a lil' 40, I'm geeked
How many Percs? 24 in a week
New Trackhawk seem foreign to me
So quick, make your foreign look weak
I been out of touch, she boring to reach
Uh, yo, ayy
Yo, ayy, ayy, ayy

I just made a lil' 40, I'm geeked
How many Percs? 24 in a week
New Trackhawk seem foreign to me
Make your, uh, look weak, hmm
