

Gemini Love

LUCKI

Um, I'm not blocked no more, right?
Um, boy, you know you not fuckin' blocked, you is a fuckin' cap-
Bhristo, talk to 'em slime

Ayy, ayy, ayy
Ayy, ayy, ayy
You move sloppy but keep your body in perfect shape, ayy
Ayy, ayy, ayy
You move sloppy but keep your body in perfect shape
I'm on Roxy, she make it toxic with you and me
Autopilot, a codeine diet, I'm on a date
Sneak up broad day, niggas be in the way
Bitches be actin' perfect, I bought rivals matchin' purses

Love me not that simple, Gemini but I'm paid
AMG pretty emblem, but I drive too fast to see
Hollywood and money, she can be what she wanna be
We soused to travel, can't respect authority
Hot pink tens and I'm off like four of these
Crossed out all our friends 'cause my brothers all I need
Just met, bet they twins, I respect it, more for me
Livin' too fast again 'cause all this shit gettin' borin' to me
Had a dream 'bout my brother, he was just actin' too normal to me
Had a dream that I love her, she was just way too important for me
Remember who was all there for me, when I woke up, it was only me
Enough Wockhardt for a puddle, I could just scoop a cup and drink
Tell a motherfucker I love 'em, starting to feel like extortion to me
I can't slip up and just trust you, it'll be a horror scene
Can't trust but we try, loving not that simple
Shit, ayy

Ayy, ayy, ayy
He went sloppy but keep your body in perfect shape, ayy
Ayy, ayy, ayy
You move sloppy but keep your body in perfect shape, ayy
I'm on Roxy, she make it toxic with you and me
Autopilot, a codeine diet, I'm on a date
Sneak up broad day, ayy
You move sloppy but keep your body in perfect shape, ayy
Ayy, ayy, ayy
He went sloppy but keep your body in perfect shape, ayy
I'm on Roxy, she make it toxic with you and me
Autopilot, a codeine diet, I'm on a date, ayy, ayy, ayy
Sneak up broad day, niggas be in the way
Bitches be actin' perfect, I bought rivals matchin' purses
Ayy
You move sloppy but keep your body in perfect-
You move sloppy but keep your body in perfect shape
I'm on Roxy, she make it toxic with you and me
