It heal it now, need it for my wound, aye  
I miss the Wock', really do the blood too  
With me or not? Shouldn't have to ask you

Syrup sip it, I need it for my war wounds  
It heal it now, need it for my war wound, aye  
I miss the Wock', really do the blood too  
With me or not? Shouldn't have to ask you  
It's getting hot, niggas on my last move  
I'm in the spot, summing up a cash move  
I did it right, suddenly I'm the bad dude  
What it's 'bout?  
I got codeine in a drought  
I'm different, ayy, ayy  
Woah, ayy, ayy, ayy  
You gon' call me when in doubt  
With my name all in your mouth  
No kiddin', ayy, ayy  
Good riddance, ayy, ayy  
What it's 'bout?  
I got codeine in a drought  
I'm different, ayy, ayy  
Woah, ayy, ayy, ayy

In that fast shit, no old school  
I drive how I want to  
Woah, ayy, woah  
Ayy, ayy, ayy
