Lil Bitch

LUCKI

Yeah lil bitch I heard it all before man
I know, I know, I know, I know, I know
Just keep it
Look

Just get used to it
Just get used to it
You see my niggas they ignore it, they ain't used to it
I know that I'm a pain, yup that explain the meds
What you think this Uber for we gon end up in bed

Some how I fuck with you, but I kinda love your bestie
Eighteen year old Jimi Hendrix so both white girl arrest me
(So both white girl arrest me
Both white girl arrest me
Eighteen year old Jimi Hendrix)
Phone on half moon, hoe, that mean I'm fufu now
Girl its not me who cursed you out these drugs like voodoo now
Nose bleeds I'm always with that white girl like a poodle now
I got t my mom all in my hair so my shampoo so loud

Just get used to it
Just get used to it
You see my niggas they ignore it, they ain't used to it
I know that I'm a pain, yup that explain the meds
What you think this Uber for we gon end up in bed

Like bitch you know a family be riding with me
And I'm like bitch you take the felonies you riding with me
And I'm like bitch who joking with me
And I'm like bitch you take off there like I'm the player you cleat
You like the town I referee
I like riding around
I'm off the line I sneeze the beat
I take my time I need to breathe
Know I broken hearts
And I can tell you like to heal them
I got no time for that bitch
I done seen I split the bills

Just get used to it
Just get used to it
You see my niggas they ignore it, they ain't used to it
I know that I'm a pain, yup that explain the meds
What you think this Uber for we gon end up in bed
