I know foreigners but damn  
Where the mornin at  
I see all them scared  
High til mornin damn  
Got sum for ya mans  
Glock 40 dance  
Whoa, aye  
Whooa, whooa, whooa, aye

Got something for ya mans  
Make one move nigga  
Told that bitch don't come if she ain't got attitude nigga  
I just move different  
Not witchu niggas  
Shit to prove to niggas  
Still gon do it nigga  
I like you rude baby  
Just watch what you saying  
After my show, come to my floor  
Finish what you was saying  
Man look bro, he just want hoes  
He gon be broke forever  
Shorty on go, for the roll  
You'll be gone forever  
Live by this code forever  
To each his own whatever  
Everybody here for me  
But nobody here for me  
How we enemies  
I barely remember him  
He upset fans of me  
Better change his memory  
Say you ain't into drugs  
Bet you ain't into me  
You with the rest of them  
You want the end of me  
I'm important ma'am  
You imported ma'am  
I know foreigners but damn  
Where the mornin ma'am  
Got sum for ya mans  
Glock 40 dance  
Glock 40 dance

Whooa, aye  
Whooa whooa whooa  
Aye aye
