LUCKI

Ooh, ayy, hop in that bitch, go ape
I put a bougie bad bitch in a high-speed
Lucki, I'm sick of your straight
(Nash effect)
Why you in the 'Raq can't deal with the hate?
Lean over you, baby girl, no debate
Took her to Saks restaurant for a day
Basic ho think I got taste

I ain't worried bout a nigga hittin' my face
Twin wish a nigga get in my way
Fuck a bitch, only codeine I crave
She wish her pussy had codeine taste
Hit fashion week 'cause I want GG
Missed tour 'cause she never wanted fame
He don't like when his bitch play my music
Next song I'ma say her name
My aunt say the doctor suspect she abusing
Told her ass cough
Rather be a lover boy then a broke ass too-cool nigga
And my hoes flawless
Told me to come to her crib, she mad I did
Still fucked with what she got off
How you gettin money and stay yourself? It's simple
My pops is a boss
Don't internet beef 'cause I got white fans
I'm poppin', lil brother, ain't no calling 'em off
My niggas, my niggas, I'm balling for y'all
Sippin' drank raw, I'm ballin' for ball
was the first nigga I knew got killed
Tell man to wait when I got that call
Why they ain't really hurt me? 'Cause a lil tear
Her lil tomboy ass at heart
Sixth grade me
Screaming Rock Boy, white girls in the Prada
Antonio, bro, you hurt my feelings
Praying your lil brother in jail getting solids
If we was kids then I know we was leaving
Wouldn't never cry that you was ball-hogging
got mad, that it you goin'
Silly lil pretty thing tell me he got you, uh
Ayy, hop in that bitch, go ape
He sick and bossed up, his home a trick
That's why we fuckin' on my cape
How you call her back in without a front?
Got my both my eyes even though I'm late
Call us in a bnb like, "Where you been?"
Guess both MIAs

Uh, oh, hop in that bitch, go ape
I put a bougie bad bitch in a high-speed
Lucki, I'm sick of your straight
Why you in the 'Raq can't deal with the hate?
Lean over you, baby girl, no debate
Took her to Saks restaurant for a day
got taste

Uh, hop in that bitch, go ape
Vroom
Hop in that bitch, go ape
Two hundred plus on this bitch
Uh, hop
She don't really like Cats and, shit, she like Ranges
So look she really don't know the SVR
Just like the Cat so I'm doing the same thing
Hop in that bitch, go ape
Ay, oh, hop in that bitch, go ape
