

NOTICED YA

LUCKI

(GOONTEX) Ayy, ayy

You don't want shit to change as much as me, I noticed that 'bout you

Ayy, ayy, ayy

You don't want shit to change as much as me, I noticed that 'bout you

My little brother just gettin' into drink, think it help with a nger

She pop out with me, say she reborn and hell rename her

I just need you to be there for me, I don't wanna tame her

Blessed so hard, I took what's left for me and now we strangers

Know my brother probably be the death of me, but he hope I make it

Tell it from the ho, I made it, ordered to go, but it's ash and maple

Hundred round behind my name, should give it to you, whoever been playin'

Still too young for a Wraith, still in the trenches, that rather be straighter

She really into debatin', told her, "You winnin' a lot, we done made it"

It's my life, no baitin', I've never seen one of these type Rangers

Sound like a HEMI, it's loud as a bitch, she can't hear me, I pour out the soda, I really

I ride through the city, it really be havin' me 'noid, it's crazy it's really this pretty

I turn up a bop, teach her dump me some Wock', and niggas enjoying the Trissy

I nod off in Denny's then turn up to Barry's and Benny's, the only thing open in Kims

Too high in LA, she cryin', she want me to stay

It's crazy, 'cause this probably kill me

Gettin' lied to my face, as long as it's beautiful, great, gotta get back to the city

I'm tourin' today, practice been doin' me great, Percocet takin' no pity

Just finished an eighth, it's the first part of the day

Gotta get back to the city, I turn up a bop

Ayy

Ayy, ayy

Ayy, you don't want shit to change as much as me, I noticed that 'bout you

Ayy, ayy, ayy

You don't want shit to change as much as me, I noticed that 'bo

ut you

My little brother just gettin' into drink, think it help with a
nger

Ayy, ayy, ayy

Know my brother'll be the death of me, but he hope I make it

Ayy, ayy, ayy

You don't want shit to change as much as me, I noticed that 'bo
ut you

You don't want shit to change as much as me, I noticed that 'bo
ut you

I noticed that 'bout you

Like, save me forever type shit, all that type of Wock' stuff

All that shit

Like that, like Neptune, gotta meet me there
