

She nut on my Supreme, it ain't nothin' to me
Know her stats are on IG, it ain't nothin' to me
He caught me slippin' on the ave, it ain't nothin' to me
Life is pokers niggas jokers, it ain't nothin' to me

Aye, it ain't nothing to me

She ain't comin' over to cool, they don't never tell me
Girl it ain't nothin' to me

She told my dog check my paws bitch I'm draggin' in the mud
Is what it worth cost your loss?
What amount I'll give it up

Know nothing 'bout the kid
Like he ain't gonna try and hold them niggas
Know who I know
