

Slow Down

LUCKI

You ain't never took no drugs like these so you should slow it
down for me bitch
Ain't gonna be there to lend you a hand cause when you need the
se you might bitch
And I get that you like rollin but these tires might flap
And your man be having you coke'd up but to me all his pops fla
t
His wife stepped on that like side walk snow better shovel all
that shit to the alley
And you thinkin like what should I should trust you for you a c
rook and keep your head nappy
But I'm not like all of the others I care about my clients
I'm a drug dealer social worker I care about all my clients
Maybe you should know about baby ain't playin if we tryin play
with all that shit you can listen
Maybe you should know one of your friends tried to rob me God d
amn its a shame you gonna miss him
You would think I'm santa on christmas eve they want what's all
in my sack
Every time I serve them its like a bag check they like damn wha
t all did you pack

Cause you like gettin high and I like gettin money but I don't
like jail so don't overdose on what you get from me
So just slow it down for me
So just slow it down for me
So just slow it down for me
So just slow it down for me

You can take them at different times trust me these (eyes?) are
special
You gonna love what I give you, you gon think I deserve a medal
So just slow it down for me
So just slow it down for me
So just slow it down for me
So just slow it down for me
Cause you don't need it all right now so trust me so just trust
me
Cause you don't need it all right now so trust me so just trust
me
So just slow it down for me
So just slow it down for me
So just slow it down for me
So just slow it down for me

Cause you like gettin high and I like gettin money but I don't
like jail so don't overdose on what you get from me
So just slow it down for me

So just slow it down for me
So just slow it down for me
So just slow it down for me
