SUNSET

LUCKI

Can't sip sprite with the Hi-Tech
Can't sip sprite with the Hi-Tech
Woah, aye, aye
Must be a X on my chest
Aye woah, aye woah
Aye aye, aye woah

Can't sip sprite with the Hi-Tech
'Dat shit too pure to digest
Must be a X on my chest
This Pure X Loosen My Chest
I shoulda' died but not yet
I ain't even finish my project
Shoulder to cry I'm not it
Ion even think I'm high yet

Aye woah, aye woah
Must be a X on my chest
Too much X lock my chest
LA hoe take my breath
Leave with her, fake my death
No seal, no deal my motto
No high, no thrill It's all gone
Xan flights I'm switchin' time zone
Do drugs don't know what I know
Must be a X on my chest
Ion even greet no dumb bitch
Look easy to me, too fun bitch
That's easy to me I done this
Tech bleed in the cream, no Sunkist
Must be a X on my chest, aye
Must be a X on my chest, aye

Must be a X on my chest
Do you see a X on my chest
Aye, let's die now fuck a sunset
Aye, let's die now fuck a sunset
Aye, woah, aye
Must be a X on my chest
Do you see a X on my chest
Aye, let's die now fuck a sunset
Aye, woah, woah, aye
Aye, let's die now fuck a sunset
Aye, let's die now fuck a sunset
Aye, let's die now fuck a sunset
Aye woah, woah
Must be a X on my chest
Must be a X on my chest
Woah, woah, woah
Aye, woah, woah, woah, aye, aye
