We did the same shit, so I guess it's cool
All the best players forgetting the rules
Showing off drugs, we was sneaking in school, ayy

On 30's with 30's, can't give it up
Lil' brodie got the wheel and they hop to me

Hide my cup cause they on my dick
She hurt my feelings and it made us rich
Auntie surprised I'm taking it far
Granny in heaven, I'm higher than her

I turned a Cardi to Summer Walk'
I pour a four, I'm feeling like wow
AJ just called me, she's sick of the fans
Ashley told me to make her a song
I'm in the mix and I'm back on the Xans
If you was smart, you won't answer my call (Okay, okay)
No Bap (Okay, okay)
