

## TUNE & SCOTTY

LUCKI

(Nash Effect)

Ayy, ooh (Adio)

Ayy, ayy

I'm on the road, be a minute 'til you see me

I'm on my, haha

Relax, ooh, ayy

I'm on the road, be a minute 'til you see me

I'm gettin' used to these hoes

Burnin' my clothes, nod off in Amiri

She wanna text with the hoes

Miss me, meet me outta state

The kitty go "purr" when I see a free road

Where the Wockhardt? I score from the 'Raq

In the D, tryna be D. Rose

Why this the life I chose?

My pops had money, but I'd rather take yours

Went to school, yeah, that's cool

Moved too snotty, so I wipe his nose

Stop at a light, no go

Glock two-three, no kick like so, ayy

Stop at a light, big no

Glock two-three, no kick like, uh

I'm geeked up like Thugger

Put on my bitch and I put on my brothers, ayy

Yeah, my bitch like a movie scene, uh

I'm just waitin' to cut her, ayy

She went behind my back

Keep rippin' all my Moncler buttons, ayy

More money mean just more snake heads

But I'm my brother forever, ayy

I'm on the road, be a minute 'til you see me

Ayy, heh

Ooh, ayy, ayy, ayy

I'm on the road, be a minute 'til you see me

I'm gettin' used to these hoes

Burnin' my clothes, nod off in Amiri

She wanna text with the hoes

Be a minute 'til you see me

I'm gettin' used to these hoes

I'm on the road, be a minute 'til you see me

I'm gettin' used to these hoes

Ooh, ayy, ayy

Nod off in Amiri

She wanna text with the hoes

I'm on the road, huh, huh

Lil' shawty said

Ain't nobody gon' want me back

The prince, baby

My way or the highway

Be a minute 'til you see me

I'm gettin' used to these hoes

I'm on the road, be a minute 'til you see me

I'm gettin' used to these hoes

Of course  
Why not?  
Of course
