

Deja Vous

Lucky Boys Confusion

This scene seems so god damn familiar to me
I'm getting a tingle of deja vous
Obsessive attraction and all she could ask
Is how I could do this to you
I tried to explain this so many times you couldn't have handled
the truth
I'm sorry I said those words last night I didn't know they'd be
so powerful
I said I loved you for the first time tonight
What I didn't tell you is I didn't mean it
Sometimes it's easier to just walk away
Right now I think it is
Concerning you
You don't seem to care about my point of view
I don't got a lot but I got enough to prove
You don't know me so don't pretend you do and I'll do just the
same
Concerning you
Now lets try to look at this from an objective point of view
I know it's not the standard but sometimes you bend the rules
In relationships like these when you know it's gonna end
I don't know why I'm singing cause you still don't comprehend
This won't repeat cause of what I've learned from you
You don't love me but you're convinced you do
I'm convinced to close my eyes concerning you
