

One More Chance

Lucky Boys Confusion

Slow down, take another minute
Got a good record but I got no where to spin it
It ain't always up to me
It ain't always up to me

Slow down, down, take another minute
Got a million dollar mind but you ain't got nowhere to spend it
It ain't always up to me
It ain't always up to me

Oh give me one more chance
Oh give me one more chance
And set me free

[Reggae]

Oh give me one more chance
Oh give me one more chance
Oh give me one more chance
Oh give me one more chance
And set me free
