

# Candy Drip

Lucky Daye

I can't keep up the pace  
She got me out my ways  
I eat on, put it on my plate  
Honey, you be up to the same shame, same old  
Can you speak up tomorrow?  
I wake you up for talk  
Baby, you're the wave, maybe you're the way to divine

Better like wine in the nighttime, a perfect design  
And where you go, I wanna go down deeper into your shine  
Oh, I, can we hope high?  
We running out of time, ooh  
You better speak now, speak now

Pretty white dress  
How'd he get between us?  
And I know nobody knows  
Pretty white dress  
Hope nobody see us  
'Fore you get home

Candy drip IV  
In me, I daydream  
Can't breathe if it ain't me  
Told you it can't be  
All I know is don't leave  
Can't breathe, oh, it ain't me

We ride expensive highs  
We tried to end it twice  
But maybe you're the one, maybe you're the one  
You're divine

Better like wine in the nighttime, a perfect design  
And where you go, I wanna go down deeper into your shine  
Oh, I, can we hope high?  
We running out of time  
You better speak now, speak now

Pretty white dress  
How'd he get between us?  
And I know nobody knows  
Pretty white dress  
Hope nobody see us  
'Fore you get home

Pretty white dress  
How'd he get between us?  
Pretty white dress  
Hope nobody sees us

Candy drip IV  
In me, I daydream  
Can't breathe if it ain't me  
(If it ain't, if it ain't me)  
Told you it can't be  
All I know is don't leave

Can't breathe, oh, it ain't me

We tried to end it twice
