

# Diamonds In Teal

Lucky Daye

Don't meant to talk bad on you  
No, I never meant to make you build up a wall  
I don't mean to be rude you know  
Don't wanna do the most just for the minimum  
I know no reality where we should stay  
But I'm riskin' it all  
I love you anyway I can let it be known  
We took it all the way even when it was wrong

You're here, but you're gone  
I want to but you don't  
We caught up  
Unfamiliar territories  
Different song  
I keep on playing along  
I'm breakin' 'cause you ain't know  
What's left for us to lose?  
'Cause I only want you here

Diamonds in teal  
Show me it's real, oh, baby (Ooh)  
Don't hate me (Ooh)  
Don't make me  
If you say it's real  
I will, if you will, oh, baby (Ooh)  
Don't hate me

If I burn in your fire  
When I look in your eyes  
I don't know what should I do  
Or maybe I do, I get crazy 'bout you  
Yeah

Don't mean to be a night time lover  
I cherish everyday like the rain and shine  
Never take you away too long  
Steal you from another? No, I won't  
I know no reality where we should stay  
But I can't let it go  
I reach you in a place, and you let it be known  
Until we took it too far to bring it back home

You're here, but you're gone  
I want to but you don't  
We caught up  
Unfamiliar territories  
Different song  
I keep on playing along  
I'm breakin' 'cause you ain't know  
What's left for us to lose?  
And I only want you here

Diamonds in teal  
Show me it's real, oh, baby (Ooh)  
Don't hate me (Ooh)  
Don't make me  
If you say it's real

I will, if you will, oh, baby (Ooh)  
Don't hate me

If I burn in your fire  
When I look in your eyes  
I don't know what should I do  
Or maybe I do, I get crazy 'bout you

Don't know pickin' sides  
'Cause I'm rollin' in desire  
I don't know which lie's true  
Or maybe I do, or maybe I'm you  
Yeah

Yeah  
Now I swallow my pride  
I'm losin' my mind  
Maybe I do, maybe I do  
Aye, I don't know how to cry  
Rather hold it inside  
Don't know which lie's true  
Maybe I lose, maybe I do  
I don't wanna walk away  
Ooh  
You're the skin of my skin  
You're the soul of my soul  
'Cause I don't want them  
I only want you
