

## Guess

## Lucky Daye

I think it's time for something new

Tell me, what's love if I don't feel the pain?  
We been through storms and I can smell your rain  
I think it's time for us to take more  
You got everything that, that I been waitin' for  
It's been yours  
And if we switchin' names, then I'm game, girl, you got me

Let's explore, you excite  
Let's XO all night  
So put your face on, meet me between rooms  
Don't gotta stay long, but, baby, stay soon  
I want more, but you act like  
You don't know what time it is, girl

Guess  
It's on my head, I'm obsessed  
I wanna give you my best  
We got it as good as it gets  
But what's next, babe?  
Guess  
Somethin' you ain't gotta regret  
That won't make me love you no less  
And I don't wanna be the one you forget  
So guess, say yes

So guess, say yes  
So guess, say yes

Say that I would save it for you and I tried to  
If I'm bein' honest, girl, I wouldn't lie to you  
When I see you, ain't no tellin' what I might do  
What I might do, what I might do  
I know that you like to go for certain guys who  
Come in and out of your life just like a drive-thru  
Build something with me forever here in my room  
Here in my, my, here in my room

Let's explore, you excite  
Let's XO all night  
So put your face on, meet me between rooms  
Don't gotta stay long, but, baby, stay soon  
I want more, but you act like  
You don't know what time it is, girl

Guess  
It's on my head, I'm obsessed  
I wanna give you my best  
We got it as good as it gets  
But what's next, babe? (Tell me, what's next, babe?)  
Guess  
Somethin' you ain't gotta regret  
That won't make me love you no less  
And I don't wanna be the one you forget  
So guess, say yes

So guess, say yes  
So guess, say yes
