I ain't gotta be that difficult
I ain't average, girl, you know I'm not the typical
I wanna kiss you, baby
More than physical
If I miss this moment, I'd be pissed off, yeah

Every time you
Spin me around, do you get touched enough?
Alright, right, right
Tell me the feelin', is it love or lust?
Don't lie, lie, lie
Judging me, don't be in a rush to bluff
Oh, why? Why? Why?
We getting closer, baby, don't give up

I'll take you to the top floor, baby
If you want it, don't let me go, hold on, just ride
What you wanna do? I'll drive you through midnight
Let it rain, baby, rain
Till we slide into the eye of a hurricane

In a hurry, talkin' dirty, sparks go up
This ain't flirty, you deserve it, and you're worth that much
Heart beat racin', closin' spaces, bodies touch
So elated, you're amazin'

Every time you
Spin me around, do you get touched enough?
Alright, right, right
Tell me the feelin', is it love or lust?
Don't lie, lie, lie
Judging me, don't be in a rush to bluff
Oh, why? Why? Why?
We getting closer, baby, don't give up (Don't give up)
A little bit of wind, come feel the breeze, let's make it easy (No)

I'll take you to the top floor, baby
If you want it, don't let me go, hold on, just ride
What you wanna do? I'll drive you through midnight
Let it rain, baby, rain
Till we slide into the eye of a hurricane

Rain, baby, rain, rain, baby, rain (Yeah, rain, baby, rain, ooh)
Rain, baby, rain, rain, baby, rain (Yeah)

I'll take you to the top floor, baby (Top floor)
If you want it, don't let me go, hold on, just ride (Don't let me go, ride)
What you wanna do? I'll drive you through midnight (Midnight)
Let it rain, baby, rain (All in your rain, oh)
Till we slide into the eye of a hurricane

Rain, baby, rain, rain, baby, rain (Yeah)
