

## Over

Lucky Daye

Every time we link up, it's only us there  
We're thinking, will we get there?  
Is it wrong? Is it right?

You know that I miss you  
But I be getting mixed signals  
Why you slow down?  
Don't stop this green light

Now you calling me special  
When you know I can't have you  
When I'm on to the next one  
Oh, now you wanna get aggressive

Ooh, fuck do you mean?  
You keep on making believe  
Nightmares turned into a dream  
If you're so toxic to me, what am I fiendin'?

'Cause I thought it was over  
Got me thinking my feelings over  
You keep doing it over and over  
You keep calling me back

I'm just tryna get closure  
But you're pulling me closer and closer  
Phone ringing like over and over  
'Cause you keep calling me back  
Why you keep calling me back?  
Back

Love me then you switch up  
I'd rather we never pick up  
But can we slip up and mix up sometimes?

You say you don't mean it  
Just want it when it's convenient  
Am I crazy for waiting? I might slide

Now you calling me special  
When you know I can't have you  
When I'm on to the next one  
Oh, now you wanna get aggressive

Oh, fuck do you mean?  
You keep on making believe  
Nightmares turned into a dream  
If you're so toxic to me, what am I fiendin'?

'Cause I thought it was over  
Got me thinking my feelings over  
You keep doing it over and over  
You keep calling me back

I'm just tryna get closure  
But you're pulling me closer and closer  
Phone ringing like over and over

'Cause you keep calling me back  
Why you keep calling me back?  
Back

Now you walking on a thin line  
We been through it like ten times  
I'ma put you in line  
Yeah, I had you on a incline  
Now I don't even want to reply  
I'ma have to decline

Yeah, you showed me I don't want to rewind  
Yeah, know you a ten but that attitude ain't fine
