

# Running Blind

Lucky Daye

What to believe? (Ooh, ooh, ooh)  
Stuck in the scene (Ooh, ooh, ooh)  
Covered in green (Ooh, ooh, ooh)  
While they runnin', runnin' the streets

I run up a check (Ooh, ooh, ooh)  
'Cause I don't know what's next (Ooh, ooh, ooh)  
All that it seems (Ooh, ooh, ooh)  
Even livin', livin', ain't just livin' to live (Ooh)

Take the time to get my mind right (Ooh)  
Gotta paint a better picture with you (Ah, ooh)  
I ain't waitin' 'til the paint dry (Ooh)  
We get higher when we playin' fly (Ah, ooh)  
Strip the nigga of his timeline  
But as long as we got stripper pictures in our timeline (Ooh)  
All nights be alright (Alright, ooh, ooh)

What about, we the people?  
On the line, 'til he bleeds through, oh woah  
All our lives  
We've been runnin' and runnin' and runnin' and runnin' blind  
Got me runnin' and runnin' and runnin' and runnin' blind

Why are we here? (Why are we here?)  
Visions are clear (Ooh, ooh, ooh)  
My mind feel (My mind feel)  
Drownin' in our own tears

So we run up a check (Ooh, ooh, ooh)  
'Cause I don't know what's next (Ooh, ooh, ooh)  
All she really needs (Ooh, ooh, ooh)  
Is a little, little bit of free (Hey, ooh)

Take the time to get my mind right (Oh-oh, ooh)  
Tryna paint a better picture with you (Ah, ooh)  
I ain't waitin' 'til the paint dry (Ooh)  
We get higher when we playin' fly (Ah, ooh)  
Strip the nigga of his timeline  
But as long as we got stripper pictures in our timeline (Ooh)  
All nights be alright (Alright, ooh, ooh)

What about, we the people? (We the people)  
On the line (On the line), 'til he bleeds through, oh woah  
All our lives  
We've been runnin' and runnin' and runnin' and runnin' blind  
Got me runnin' and runnin' and runnin' and runnin' blind
