

Peace Perfect Peace

Lucky Dube

We cry for peace, perfect peace
Lord, we cry for love in this neighborhood
I tell you no water can put out this fire
Only the Lord can save us

We cry for peace in south Africa
Let me tell you we cry for peace in south Africa

We cry for peace, perfect peace
Lord, we cry for love in this neighborhood
Let me tell you no water can put out this fire
Only the Lord can save us

We cry for peace in south Africa
Let me tell you we cry for peace in south Africa
