

# Bless Myself

Lucy Hale

**G**  
1. There's a little secret  
**C**  
I would like to tell you  
**G**  
There's a book of lies  
**C**  
I know they'll try to sell you  
**A**  
And they'll try, and they'll try  
**C** **Em**  
To convince you to buy you need 'em  
**A**  
So the next time you're down  
**C**  
Look inside not around.

**Em** **Am7**  
R: I can bless myself  
**D** **G**  
There's no need for someone's help  
**Em**  
There's no one to blame  
**Am7** **G D**  
There's no one to save you but yourself  
**Em** **Am7** **D** **G**  
I can justify all the mistakes in my life  
**Em** **Am**  
It's taught me to be, it's givin' me me  
**D**  
And I'll survive  
**G** **D** **Em**  
'Cause I have blessed myself.

2. I have searched the world to find  
There's nothing better  
Than when me, myself and I  
Can come together  
And I know for a fact  
There's a spirit I lack or defend  
Yeah I've been through it all  
Just to find in the end

R: I can bless myself...

**Em** **Am7**  
\*: Do you ever wonder  
**Em** **Am7**  
How anything can make you cry  
**Em** **Am7**  
Have yourself discover  
**Em**  
That the pain you feel  
**Am7** **C** **Em** **C**  
Is the pain that you deny in your llllll-iiife  
**A** **Em** **Am7** **C**  
So open up your eee-eee-eyes

**Em Am7**
