

Run This Town

Lucy Hale

F

- F** **B**
1. Hold on cause I'm letting go
Dm **C**
I'm gonna lasso your heart like a rodeo
F **B**
I'm gonna give you some till you want some more
Dm **C**
Cause all I see is an open door
- Dm**
X: And I see where it's leading me
F **B**
All of this energy, been bottled up way too long
C
It's powerful, powerful
B
You see what I'm getting at
F
I'm ready for all of that
B **C**
If I'm not a star, you're blind.
- F**
R: I've got rings on my fingers
B
And glitter in my hair
Dm
I bought a one-way ticket
C
And I just got here
F
I'm gonna run this town
B
Run this town
Dm
I'm gonna run this town
C
Run this town
F
I've got high heel stilettos
B
And I'm kicking in doors
Dm **C**
And kissing your ass ain't what my lipstick's for
F
I'm gonna run this town
B
Run this town
Dm
I'm gonna run this town
C
Run this town tonight.
2. I'm climbing high but there ain't no net
You'd like to see me jump a bit

Well everyday's just like Russian Roulette
I'm gonna play, play, play with no regrets

X: Cause I'm tired of second best
Tired of doing this
Tired of hypocrites
Twisted like licorice
I'm crushing them in my fist
Hushing their ignorance
You had your chance, now's mine

R: I've got rings on my fingers
And glitter in my hair
I bought a one-way ticket
And I just got here
I'm gonna run this town
Run this town
I'm gonna run this town
Run this town
I've got high heel stilettos
And I'm kicking in doors
And kissing your ass ain't what my lipstick's for
I'm gonna run this town
Run this town
I'm gonna run this town
Run this town

Dm F
*: Tonight, nothing's standing in my way
B
There's no obstacles anymore
Dm F
In a minute, I'll be on my way
B C
To the moment I've been waiting for

R: I've got rings on my fingers
And glitter in my hair
Bought a one-way ticket and I just got here
I'm gonna run this town
Run this town
I'm gonna run this town tonight

R: I've got rings on my fingers
And glitter in my hair
I bought a one-way ticket and I just got here
I'm gonna run this town
Run this town
I'm gonna run this town
Run this town
I've got high heel stilettos
And I'm kicking in doors
And kissing your ass ain't what my lipstick's for
I'm gonna run this town
Run this town
I'm gonna run this town
Run this town

F B Dm
I'm gonna run, I'm gonna run, gonna run
C
Run this town

F **B** **Dm**
I'm gonna run, I'm gonna run, gonna run
C **F** **B**
Run this town tonight
Dm **C** **F** **B**
Run this town, run this town tonight
Dm **C** **F**
I'm gonna run this town, run this town tonight
(Tonight, tonight, tonight...)
