

Twisted Serenade

Lucy Hale

I want to kiss your apocalypse
And rock you in my armageddon
And sing you a twisted terenade
We can run away together

(Whoa, oh, oh, oh)
'Cause you're everything
(Whoa, oh, oh, oh)
That I love to hate
(Hey hey)
So would you be my nightmare
(Hey hey)
Until my blue sky's gray?
(Whoa, oh, oh, oh)
'Cause this is sweetest sorrow
(Whoa, oh, oh, oh)
And there'll be no tomorrow

A broken love we can never fix
We're misfits, but we fit together
And I'm only happy when it rains
We can live in pain forever

(Whoa, oh, oh, oh)
'Cause you're everything
(Whoa, oh, oh, oh)
That I love to hate
(Hey hey)
So would you be my nightmare
(Hey hey)
Until my blue sky's gray?
(Whoa, oh, oh, oh)
'Cause this is sweetest sorrow
(Whoa, oh, oh, oh)
And there'll be no tomorrow
(Whoa, oh, oh, oh)
'Cause this is sweetest sorrow
(Whoa, oh, oh, oh)
And there'll be no tomorrow

(Whoa, oh, oh, oh)
'Cause you're everything
(Whoa, oh, oh, oh)
That I love to hate
(Hey hey)
So would you be my nightmare
(Hey hey)
Until my blue sky's gray?
(Whoa, oh, oh, oh)
'Cause this is sweetest sorrow
(Whoa, oh, oh, oh)
And there'll be no tomorrow
(Whoa, oh, oh, oh)
'Cause this is sweetest sorrow
(Whoa, oh, oh, oh)
And there'll be no tomorrow
