

Hole In My Head

Lucy Kaplansky

Hole in my head, hole in my head
I need a boy like you like a hole in my head
I need a boy like you like a hole in my head
Let's just say, we will and then don't instead

Wild goose chase, wild goose chase
You're gonna take me boy, on a wild goose chase
You're gonna take me boy, on a wild goose chase
You better find somebody to take my place

You took my imagination
And stomped it in the ground
Now' I can only think about you
Chasin' the tracks that you left around

Hole in my head, hole in my head
Oh, I need a boy like you like a hole in my head
I need a boy like you like a hole in my head
You make me feel so bad that I wish, I was dead

Let the games begin
Yeah, here I go again
I'm never gonna win

It must have knocked me crazy
It must have hit me hard
People must think I'm lazy
Like my shuffle's short of playing a card

Wild goose chase, wild goose chase
Oh, I need a boy like you like a wild goose chase
I need a boy like you like a wild goose chase
You better find somebody to take my place

Let the games begin
Yeah, here I go again

I need a boy like you
(I need a boy like you)
I need a boy like you
(I need a boy like you)

I need a boy like you like a hole in my head
Hole in my head, hole in my head

Hole in my head, hole in my head

Like a hole in my head

I need a boy like you
(I need a boy like you)
I need a boy like you
(I need a boy like you)
